

Wakeland Band Fundraiser

Parents,

We are launching a Fan-Pledge Fundraiser using social media, emails, calls, and text. We are asking each player(student) to gather at least 20 email addresses and phone numbers of family, friends, and potential donors willing to support our campaign. *Your contacts are strictly private and protected, and never sold or shared.* We will only use them for this fundraiser and nothing further. Your protected contacts will receive an email, text, call from the player, or socially shared message explaining our goal and can simply make a donation to the program on the players behalf and leave a nice message of support. This will allow us to raise money without selling a product, giving us more time to focus on competition and practice. It is important that every player participate to help us reach our goal. Please help your player make a great effort to get 20 **unique** email addresses and phone numbers in the next 2 days.

Brainstorm ... ***Friends, Family (anywhere in the country), Grandma, Grandpa, Aunts, Uncles, Neighbors, colleagues, business owners, Doctors, Dentists, professionals. Avoid teachers and administrators as many are duplicated by students.***

Your Team Leader will be tracking progress leading up to the 40 minute Live Event. Thank you in advance and we look forward to great results.

Steps.

1. Go to event.fan-pledge.com
2. Enter school code **31386-30284**
3. Click orange "**Sign Up**" top right
4. Enter school code again
